

NAJAD 440 CC / 2011

Specification 2015

NAJAD 440 CC / 2011

A 'world class' yacht

The aim for the successful design of the Najad 440 CC was to create a luxury, highly exclusive and superb sailing yacht, capable of being handled comfortably and safely by a crew of one or two persons.

The outcome from the combination of naval architect Judel/Vrolijk & Co, interior designer Rhodes Young and Najadvarvets craftsmen, was a ground breaking, exceptional 'world class' yacht.

Najad 440 is equally suited to the ocean adventurer as to the gentler life of coastal cruising and island hopping.
