

40' Colin Archer / 1991 - total refit 2015

General description

Moa is a 40' double ender, designed with inspiration from Colin Archer RS 12 "Solvear".

Moa was originally built by Randesund Ship Yard, Kristiansand Norway and was delivered 1991.

Moa had a total refit at Orust Yacht Service between 2013-2015

With a lot of beautiful competitors in the docks at the "yacht building island of Orust"... Moa is probably the most eye-catching yacht on the Orust island!

In superb condition and ready for new adventures!
